

IDEOLOGY PROPAGANDA

We recently reviewed the prevailing ideologies during the 1920s and 1930s; now it is your turn to use your creative talents to promote a choice ideology via any single media that you prefer. Think of how dictators and politicians sway the masses during election years and critical votes today; how would you promote your choice ideology to the rest of the class? Would it be through radio? Or a poster? What about a video clip? Or a poem? Let your imagination carry you away! Let the propaganda wars begin!

Ideologies to choose from: Democracy, Totalitarianism, Fascism, Nazism, Capitalism, Socialism, Communism.
