

## World War I/Russian Revolution Poster Project

Due Date: \_\_\_\_\_

Objective: To identify and analyze one aspect of World War I or the Russian revolution and express it in a symbolic and creative way.

### Description:

You will choose any one topic or aspect of World War I or the Russian Revolution that interests you and research it. Then on a symbol-shaped poster, you will write a three paragraph description of your topic: one paragraph describing your topic, another paragraph connecting your topic to WWI or the Russian Revolution, and the final paragraph should tell us why this topic is important to the course of WWI/Russian Revolution and history in general. Remember, a paragraph is at least 5 sentences! Also, you need to have an annotated bibliography of at least 5 sources (one may be an encyclopedia or wiki). Those sources should include the 3 images that you are pasting on the poster to illustrate your topic!

Your project can be any size, but should be on posterboard and should be in the shape of a symbol relating to your topic. For example, you could choose a grim reaper shape to represent the millions of deaths during the war, or a biplane to represent the emergence of the plane during the war. Be creative, colorful and neat!
